CEJN – Distributor Partnerships

- **Close collaboration and fast responses:** We maintain close contact with the CEJN global marketing team, ensuring that you receive fast, accurate responses to your inquiries.
- **Content marketing and product information:** We understand the importance of having up-to-date, relevant content marketing materials and product information, and are here to assist in creating and providing these resources.
- **Collaborative content marketing projects:** If you have any marketing projects in mind, we are eager to cooperate and bring these initiatives to life, aligning them with your unique needs. Have a CEJN success story to share? Let's talk about
- **Pull-thru marketing collaboration:** We can help generate product interest in your geographical area with LinkedIn ads or other avenues.
- **Website review and updates:** Our team can assist in reviewing your website for CEJN product solutions to ensure it's updated with the latest content and product information, helping you stay aligned with current offerings.
- **Marketing timelines and launches:** When launching new products, we will ensure you are part of the marketing timeline and receive a comprehensive marketing plan, detailing what materials to expect and when.
- **Webinars / Training Sessions:** Get your team educated on CEJN solutions through our CEJN Academy eLearning module. We can also schedule a webinar or in-person training for your team
- **Follow-up sessions:** We can schedule multiple follow-up sessions per year to review our marketing activities with you, ensuring we continue to meet your expectations and help drive results.

Content Store / PIM System at your disposal

- Let's update your website with current CEJN content!
- All the CEJN data, images, and videos in one place. In the CEJN Content Store, you can find technical data, sales texts, EAN codes, product images, application images, videos, and more.
- Everything can be easily downloaded to a zip file or shared via URL's which are then used for downloading the data/ content.
- Login access [For Partners/Distributors | CEJN](#) *upon confirmation
- Our marketing department will be available for initial PIM training, training assistance or to do the download work for you.
